THE DISTINCTIVE COACHING CERTIFICATION PROGRAM

**MASTER PRACTITIONER
LEVEL**

Practice Life Tools And Techniques Is Taking The First Step Toward Excellence.

Taking the initiative to practice life tools and techniques is the first step toward achieving excellence.

By obtaining an accredited NLP Master Practitioner Coach Certification, you will elevate yourself to a higher level of excellence in your personal and professional life, as well as your relationships. This certification will empower you with advanced teaching processes and mastery of NLP and other modalities skills.

Neuro Linguistic Programming Master Practitioner Certification

What you will learn is:

- The hidden process that dominates the individuals behaviour.
- The Unconscious inner patterns that make you who you are.
- The conversational change as a recourse for success.
- The presentation skills and training design.

What are the topics:

Quantum Linguistics - conversational change

- Learn how to use the verb tense to conversationally put present problems in the past and future solutions in the present.
- Learn how to use language with volition as a resource for success.
- Discover how easy it is to change limiting beliefs unobtrusively, during a conversation
- 16 ways of answering any kind of objection (Sleight of Mouth)..
- How to use a set of specific questions to direct your client's thinking in a more positive way (Meta Model III).
- Discover deep unconscious sources of unhappiness (Prime Concerns).
- A fail-safe negotiation model (always produces results) NLP and Quantum Thinking.
- Simple and easy to understand introduction to quantum thinking and personal change.
- We simplify Quantum Thinking (comes from Quantum Physics) for you and show you how to use the principles in using your NLP techniques.
- We show you why the human mind works more like Quantum Physics than Newtonian Physics and how to use that to create change with individuals.
- The holographic nature of the universe and why spontaneous healing occurs.

Advanced Sub-modalities:

- Use hardwired neurological drivers to create lasting change.
- Learn how to manufacture designer SWISH patterns according to your client's individual needs.

Neuro Linguistic Programming Master Practitioner Certification

Meta Programs - Unconscious inner patterns that make you who you are.

- Discover how these inner filters make people have different skills and abilities.
- How to select the people you consider most suitable for certain jobs in a win-win situation (extremely valuable in business).
- Learn how to elicit Meta Programs conversationally without intruding in client's personal life.

Advanced Strategies:

- Learn how to install strategies (formally and informally through the Logical Levels of Therapy process).
 - Advanced elicitation of strategies with particular business (sales, management).

Personal Values - One of your sources of personal happiness.

- Discover what motivates you, what constitutes your personal conscious and unconscious source of ethics and fulfillment
- Learn how to identify the part of values that do not serve and support you anymore
- Identify and get rid of unconscious values conflicts (I.E. I want to make money, but if I work hard I won't have any freedom).
- Thinking in relation to values and your personal evolution
- How to change values so that they support your desires and growth
- How to use values alignment in Business, Sales, Management, Relationships...

Modeling

- How to model excellence in others and then install the model in yourself.
- How to create a training program to install models of excellence, NLP Presentation Skills and Training Design.
- How to design a presentation that will appeal to any type of personality.
- How to succeed at the NLP Trainer's Training and become a great Trainer.
- Secrets known only by NLP Master Trainers with this level of experience.
